

CERTIFICATE

cordially presented to

Weidmann Electrical Technology

in recognition of holistic employer qualities.

In meta-study format, LEADING EMPLOYERS analyses an extensive number of sources, feedbacks and topics, translating this wide spectrum of criteria into a holistic assessment. Its **combined power of 300 sources** creates a **significantly higher validity** compared to a stand-alone study.

Areas covered include:

Attractiveness & Image | Employee Experience | Work-Life-Quality |
Compensation & Benefits | Prosperity & Leadership | Culture & Values |
Diversity, Equity, Inclusion | Environmental, Social, Governance |
Recruiting Performance.

A handwritten signature in blue ink that reads 'Dennis Utter'.

Dennis Utter

Chairman of the Advisory Board

Awarded by:

Institute of Research & Data Aggregation
